Comments are unlimited unless you're obviously spamming • For Found Fanart posts (including still images and animated gifs), you must post the source page as your content.. • 'OC' stands for 'Original Content', which simply means Touhou-based content that you personally created.. • Use the search function to prevent reposting things that are relatively new, i.. g '[Help]', '[OC: Art]', etc ), or you can ask a mod to help flair your post for you.. Free Pc Game Downloads For Windows 7• Hotlinking does NOT count as providing a source.. In fact, it's WORSE than not giving credit to the artist, since it can steal the artist's bandwidth and STILL not show the artist's name.. • There are also some specific exceptions to the Found Fanart sourcing rule (that is, for Found Fanart, you can use a rehost as your post content if): • Posting a single image from an artist's album • Posting an album consisting of different artists that focuses on ONE subject (e.. Mobile users can put the category right in the title if you already know your category (e.. • For all other kinds of posts, you are allowed to post a rehost as your content, but you still need to provide the source in the comments.

touhou game download english free, touhou game download english

Am I allowed to ask where I can download Touhou games? Download Touhou 08- Imperishable Night (English Patched) • Windows Games @ The Iso Zone • The Ultimate Retro Gaming Resource.. This reddit is devoted to sharing the wonderful Touhou series with the Reddit community.. • Danbooru (or any other 'booru') is NOT a source On a Danbooru page, look on the left side and you'll find the source page under 'Information'.. Free Pc Game Downloads For Windows 7- - - - - and are available on Steam Girls are now preparing, please wait warmly and have some tea.. We're not looking for something so original that we can't even tell it's based on Touhou.
